

August 11, 2020

Dear SSD Families in the Ritenour School District,

As we prepare to start the 2020-2021 school year, we know our families with children who have IEPs have additional questions and anxiety about starting the school year with virtual learning. Special Education administrators in Ritenour schools would like to invite families with children who receive services from our educators and related providers to participate in a Zoom meeting next week. These meetings will provide an opportunity to learn how special education and related services will be provided to your child with an IEP during Phase 3 (full virtual environment). After a short presentation by your school's special education administrators, parents and guardians will have a chance to ask questions. Due to federal privacy laws, please know that any specific questions about your child will need to be addressed with a personal phone call or email rather than on a public Zoom meeting.

All virtual meetings will be accessed using the Zoom links below. Below you will find the scheduled meeting for each school and two additional makeup meetings for those who are unable to make their school date and time. If you cannot make the meeting scheduled for your building or on the makeup call, please feel free to join another building's meeting. If you do not have a phone or computer that allows you to access the Zoom link, please call (314) 989-8238 a day before the meeting you'd like to join, and we will be happy to provide you with a phone number and code so you can participate in the meeting.

We look forward to connecting with you and sharing information that will be helpful as you prepare for the school year.

Sincerely,

Dee Byrnes
SSD Director for Ritenour School District
